

# God Hears The Cry!

By David J. Stewart | August 2010

**Genesis 4:10, "And he said, What hast thou done? the voice of thy brother's blood crieth unto me from the ground."**

The Bible says in Genesis 4:10 that Abel's blood cried out to God from the ground because his brother, Cain, murdered him. God heard the cry of the innocent.

Likewise, the Bible says in Genesis 18:20-21 that God heard the cry out of Sodom, because their wickedness was woeful...

Genesis 18:20, "And the LORD said, Because the cry of Sodom and Gomorrah is great, and because their sin is very grievous; I will go down now, and see whether they have done altogether according to the cry of it, which is come unto me; and if not, I will know."

God heard the cries of the innocent victims in Sodom. God always hears the cry. God's ears NEVER miss one single cry, even the faintest of cries are heard by the most high God, heard with the utmost of divine attention.

God hears the cry of the poor and the fatherless who are afflicted . . .

Job 29:12, "Because I delivered the poor that cried, and the fatherless, and him that had none to help him."

Job 34:28, "So that they cause the cry of the poor to come unto him, and he heareth the cry of the afflicted."

God hears the cry of those in despair, hardships and troubles . . .

Psalms 34:6, "This poor man cried, and the LORD heard him, and saved him out of all his troubles."

And God hears the cries from the afflicted across America...

God hears the cries of over 54,000,000 aborted babies whose blood crieth out from the ground. The cries say, "GREED, FRAUD and MURDER!" Unbelievably, but shockingly true nonetheless, God has heard the cry of 1,700,000,000 human beings murdered worldwide by abortion over the past 40 years! That's nearly 10-times the deaths of all wars, genocide killings, collateral damage, friendly fire and casualties of war combined!!! God hears the blood of BILLIONS of human beings who were given the gift of life by their divine Creator, but it was taken from them by selfish, reckless, Godless, heartless, sick-minded and wicked people!!! Woe unto the abortion industry!!!

God hears the cries from sorrowful families afflicted by the Godless thugs in the *Child Protection System!* God hears the cries of, “**PERVERSION OF JUSTICE, LIES, ARROGANCE, HATRED, REBELLION and CORRUPTION!**” If there’s a group of devils at work in America, it’s the devils from state-run CPS departments who think they are God over families, disregarding and challenging parental rights. CPS administrative judges are the scum of the earth! God hears the cries of victimized families!

God hears the cries from the victims of [IRresponsible drunken-drivers](#), who hurl 2-tons of steel over the frail bodies of our children, pregnant mothers, uncles and aunts, nieces and nephews, grandmothers and grandpas, fathers and mothers, sons and daughters, friends and neighbors. Check the internet and you’ll be shocked at the light prison sentences that most drunk-driving villains get. Selling marijuana (a plant) can get you [81-years in prison](#); but murdering a 13-year-old boy while drunk, only [2-years in prison!](#)

I’m so sick and tired of hearing pervert lawyers and judges say that America’s legal system may not be perfect, but it gives us the freedoms and liberties that we have and is one of the best court systems in the world. Say what? How does the legalization of 54,000,000 murders by abortion fit into that summation? How does giving light sentences to convicted drunken murderers fit into that summation? How does legalized indecency, casino gambling, adultery, same-sex marriages and even [bestiality](#) fit into that summation? I can’t even imagine some of the filthy songs that the military sings these days... something about a cow? Why, why oh why, would President Obama even [sign bestiality into law?](#)

God hears the cries from millions of citizens cheated out of their home by the shady and greedy banks! God hears the cry of, “**FRAUD, DISHONESTY and THEFT!**” The *Adjustable Rate Mortgage (ARM)* predatory lending program was fraudulent from the very beginning! God hears the cries of cheated people whose families were swindled out of the homes, money and happiness. There’s not a more corrupt, dishonest and reprobate bunch in America than Wall Street banksters and their satanic fraud since 1913 called, the “*Federal Reserve System.*” Over the past 100 years, the Federal Reserve hasn’t been audited even once! God hears the cries of the victims of The Great Depression. God hears the victims of World Wars I and II, that were started, and then funded on both sides by Wall Street. They ripped off the American people, borrowing money recklessly through the federal Reserve scam that they started in 1913 to pay for it all. God hears the cries of, “**TREASON, FRAUD, MURDER, COVETOUSNESS, BEARING FALSE WITNESS, GREED and IDOLATRY!**”

Here is a wonderful Scripture, a promise, from God, assuring all mankind that **HE THAT IS HIGHER THAN THE HIGHEST REGARDETH...**

**Ecclesiastes 5:8, “If thou seest the oppression of the poor, and violent perverting of judgment and justice in a province, marvel not at the matter: for he that is higher than the highest regardeth; and there be higher than they.”**

God REGARDETH! That means God cares. He takes notice. God sees all. Notice something in the following Scripture that few people every notice, that is, God also sees THE GOOD...

**Proverbs 15:3, “The eyes of the LORD are in every place, beholding the evil and the good.”**

We are all familiar with hellfire and damnation type preaching that warns people that God sees every sin we commit; but we should be encouraged as believers in Christ to know that God also sees the good that we do. The newsmedia only sees the bad, and they sinfully profit from it. God hears the cries from millions of people who are victimized by the manure-spreading, family-destroying, fact-twisting, lie-telling, hypocritical newsmedia. Oh how they love to publish every dirty detail. God hears the cry of their victims!

God hears the cries from the victims of gossips, slanderers and tale-bearers. God hates hypocrisy and gossip. Matthew 7:1-5 warns that God will judge men by the same standard by which they judge others, whether it be fair or unjust. What goes around will come around. What you did yesterday will come back to haunt you tomorrow, God guarantees it! Jesus warned in Matthew 12:36 that men (people) shall give account for every idle word spoken. If we must answer in eternity for our wasted words, how much more will God hold us accountable for ill-spoken hurtful words of hatred, gossip or cursing! God hears the cry of those victimized by internet gossip, newsmedia slander and paparazzi attacks. Woe unto the arrogant wicked!

God hears the cries from millions of unemployed workers, who can't find a job because our nation's dishonest, cowardly and characterless leaders allow greedy corporate CEO's to [relocate MILLIONS of American jobs](#) to foreign soil. [Deindustrialization](#) is treason! And because of [illegals taking American jobs](#)! Illegal immigrants have forced [84 California hospitals in financial bankruptcy](#)! God hears the cry of cheated Americans! God hears the cry of the righteous who are forced to pay for the agendas of the wicked. While tens-of-millions of U.S. citizens are losing their homes to the banksters, billions of dollars are going to feed, house, medicate and educate illegal aliens in our midst. It is injustice! People who rationalize that we'd do the same if we were in their shoes are dangerous people, because ANYTHING CAN BE JUSTIFIED!

Honestly, the attitude of Americans who welcome illegals is like a pathetic swinging married couple who don't mind sharing one another in sexual immortality. God is a jealous God, Whose very NAME IS JEALOUS! ...

**Exodus 34:14, “For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God.”**

God's love is a jealous love. A husband and wife who have a proper love for each other ought to be greatly jealous of each other. You are mine and I WON'T share you with anyone! A proper patriotism is a jealous love for country that says, “I will defend my country. This is my country, and you can only immigrate legally, if you have something to offer and can speak fluent English!” The shenanigans going on now that will permanently allow 30,000,000 illegals to stay in the U.S. is Communist treason, wickedness and a betrayal of the trust of the American people. Our leaders come out of our homes in America, which says a lot, saturated with apathy, selfishness, wickedness and a perverse view on everything. An [average American child will see 200,000 violent acts and 16,000 murders on TV by the age of 18](#).

New World Order puppet and apostate, [Pastor Max Lucado says to welcome illegals](#) and help them. Go figure, a preaching telling his congregation to help destroy America's sovereignty! Cha-ching, is that dollar sounds I hear from the sale of Lucado's books? Yes, it certainly is! I get so disgusted every time that I heard Lucado and his ecumenical apostate supporters brag that he doesn't take a salary, when his book sales generate

tens-of-millions of dollars in personal profits for his family. God hears the cry of illegal immigration and the betrayal by our nation's political leaders. Every tax-payer dollar given to an illegal is THEFT from American citizens. It's our country, not theirs! Mexico is a drug-infested hellhole, and now the United States is too. The two countries are becoming alike, and the trend WILL continue. "FRAUD, DISHONORING MOTHER AND FATHER, IDOLATRY, LIES, COVETOUSNESS, GREED and TREASON!"

It is the children in America who suffer more than anybody for the sins of the adults. God hears the cry of children who are afflicted by the lies of evolution, the perversion of homosexual education and the damnation of violence and smut on television. Oh how great is our wickedness as a nation! I cry out to God for judgment to flow as a river through this wicked country! God hears the cries of, LIES, FRAUD, ADULTERY, COVETOUSNESS, TAKING GOD'S NAME IN VAIN, UNBELIEF and IDOLATRY!"

God hears the cries from victims of the rotten thugs working for the corrupt IRS tax department! God hears the cries of afflicted citizens because of an unjust tax system that rewards the lazy, punishes the working and penalizes the married. God hears the cry of, "FRAUD!"

God hears the cries from legitimate U.S. citizens who are being forced to pay for food, medical, schooling, housing and even college for illegal; immigrants who come from Mexico into the United States. I love Mexican people, but illegals ought to be punished. It's no different than if a hungry thief breaks into your house and steals what you've worked hard to earn! God hears the cry!

God hears the cries from millions of victims of predatory lawyers and judges who hurt families, bilk their clients financially, and take advantage of people during difficult times in life. God hears the cry of, "INJUSTICE!"

God hears the cries of victims of sexual abuse because of the filth generated by Hollywood and the TV networks. Sexual immorality is plaguing our nation, and Hollywood is largely responsible for the perversion of society. God hears the cry of, "IMMORALITY!"

God hears the cries of over 1,455,000 innocent Iraqis, whose blood crieth out from the ground, saying, "UNJUST WAR, THEFT, TREASON and MURDER!"

God hears all the cries of the cheated, defrauded, victimized, scammed, robbed, defamed and wronged.

God hears the cries from the ground, of all the murder victims in one of the most violent societies in the world, the U.S.

God hears the cries of the blood from the ground of millions of Cambodians from the Nixon Presidency.

God hears the cries from the ground of 58,000 dead U.S. soldiers, betrayed by their own U.S. government, led into an artificially concocted war in Vietnam by the fraudulent Gulf of Tonkin Incident.

God hears the cries of billions of souls in Hell, who were willingly misled by some lying Catholic priest, lying Seventh-Day Adventist pastor, lying archdiocese bishop or some lying Lutheran minister. In Luke 16:24 the rich man cried out from Hell, saying, "Have

mercy on me," but it was too late. The damned cry out from Hell, but they are doomed forever in tormenting flames and the blackness of darkness!

God hears the cry! Whose blood will be on your hands? A child you aborted? An innocent soul you killed in Iraq under orders? Someone in Hell that you failed to share the gospel with? A person you preyed upon as a lawyer, judge or banker? A spouse you divorced while they were begging for you to stay? Whose blood will be on your hands?

Who have you driven to suicide? I know a man who regretfully told an acquaintance in high school to go kill himself, because his life was worthless. The boy went and killed himself. Whose blood is on your hands?

I know a selfish wife who abandoned her suffering husband during the darkest hours of his life. His blood is on her hands. She might as well have put a loaded gun to his head and pulled the trigger. She killed him in her own heart and mind.

We live in a Godless society in the United States, which makes Sodom look like a nice place to live. Sodom had no TVs, no radios, no videos, no magazines, no computers. Yet, God heard the cry of the victims from Sodom, because the wickedness was woeful. How much more has God heard the multitude of cries from America?

God hears the cry from the ground of the blood of [Terri Schiavo](#). She is not forgotten.

God hears the cry of a betrayed nation, treason of the highest degree; committed by criminals sworn to Luciferian occult religions and Communist global agendas that empower government, attempt to dethrone God and make slaves of men.

God hears the cry! God hears the cry! God hears the cry!
